Scoring Approach:

Red: Where 3 clearly outnumbers the combined score of 1 and 2 by more than 6

Amber: Where 3 outnumbers the combined score of 1 and 2, but the combined score is either close to the combined score of 1 & 2 or if there are several scores of 1

Green: Where there is a majority of the combined score of 1 and 2

Summary: Key priority is to have a representative from the Local Authority with an education and SEB background.

Although HE and employer links are both red, there is little HE provision and no apprenticeship provision
